

THE AQUA LEISURE

THE MARINA LEISURE

THE ABSTRACT LEISURE

YOUR DREAM
2ND HOME:

A FLORET,
A LA FLOWER.

Amidst 10 acres of leisure zones India has never seen before.

Sylvan Springs is bewildering geography and the leisure zones are man's tribute to it. A 10 acre spread of 'what-man-can-do-with-what-nature-has-to-offer' excitement. Each zone a garden marvel: Botanical. Tropical. Marina. Aqua. Blossom. Abstract. And Fantasy, a purely children's zone of leisure. An assurance that life at Sylvan Springs will be an interaction with nature at all times.
